Valley Dale Water System Service Interruption Update

The Dutchess County Water and Wastewater Authority announced at 4:00PM today Thursday October 13, 2016 emergency repairs to a water main at the water treatment facility have been completed. Residents can expect water pressure and typical water service to be restored over the next few hours.

For more information on system flushing, customers can contact the Dutchess County Water and Wastewater Authority at 845-486-3601.
