

Recognizing that more than 70% of the abused prescription medications are obtained from friends or relatives, the medication drop box program is open to the public to safely dispose of unused/unwanted medications keeping these harmful substances out of the environment, as well as, the hands of those who would abuse them.

Dutchess County Prescription Medication Drop Box Program

Prescription medication drop boxes have been established in ten (10) locations throughout Dutchess County to offer residents places to anonymously dispose of unused, unwanted, prescription medications and controlled substances.
