

DC911.com User Registration

Authorized Users are able to sign up students for classes listed on the DC911.com website. Students must be entered into your Department personnel roster to be signed up for a class. Any student name registered for a class **MUST** be the student who attends.

On the first night of a class, any name on the class roster that is NOT in attendance will be dropped from the class. Those students on an existing waiting list will have 1st preference to remain in the class. All other student's names not on the list will be allowed ONLY if space permits.

To keep your Authorized User list up to date, please provide the following information as needed:

Fire Department: _____

ADD/UPDATE USER INFO		
<i>NAME</i>	<i>Email address</i>	<i>Phone #</i>

REMOVE USER	
<i>NAME(s)</i>	

Requested By: _____
