

# Marist College Bike Proposal

Presentation by Samantha Roberts and Gabriel Castillo

# Campus Overview

# Our Initiative

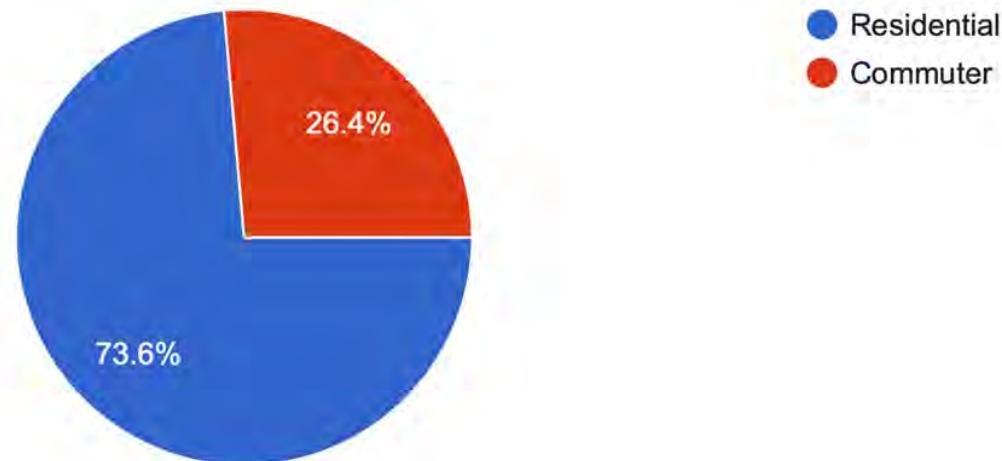

# Research

**“Marist's Master Plan calls for a campus pedestrian core to encourage walking and biking, creation of green spaces and planting of trees throughout the campus and parking areas.”**

## Survey Results

Are you a residential or commuter student at Marist?

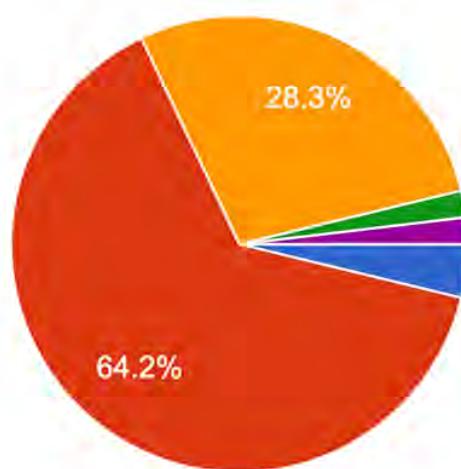

53 responses

# Survey Results

## How do you feel about the transportation accessibility at Marist?

53 responses

Satisfied

Frustrated

Unbothered

---

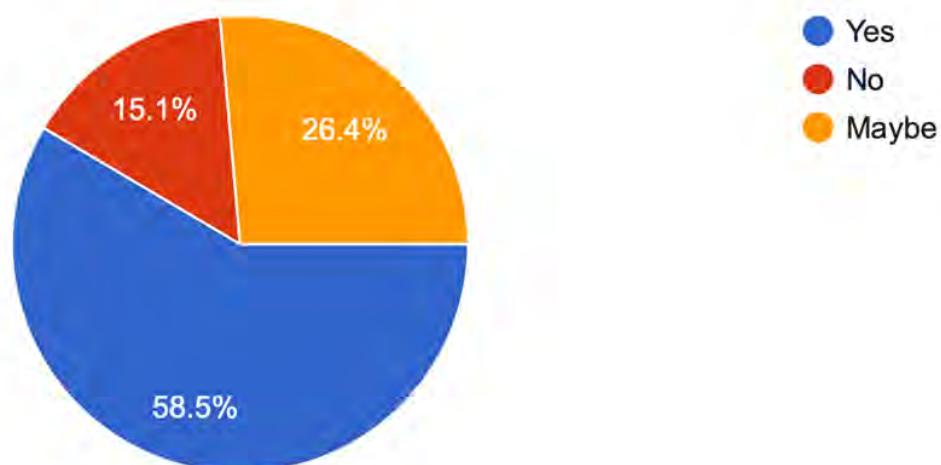

Ample parking exists in “faculty only” areas, while students are forced to park in cramped and/or inconvenient locations, lest the risk getting ticketed in a lot where they’re not allowed to park.

Rotting

## Survey Results

If Marist provided adequate resources, would you be open to keeping a bike on campus?

53 responses

# Next Steps

What is plausible in the next year?

# Thank You!
