Winnakee Nature Preserve

Park Amenities

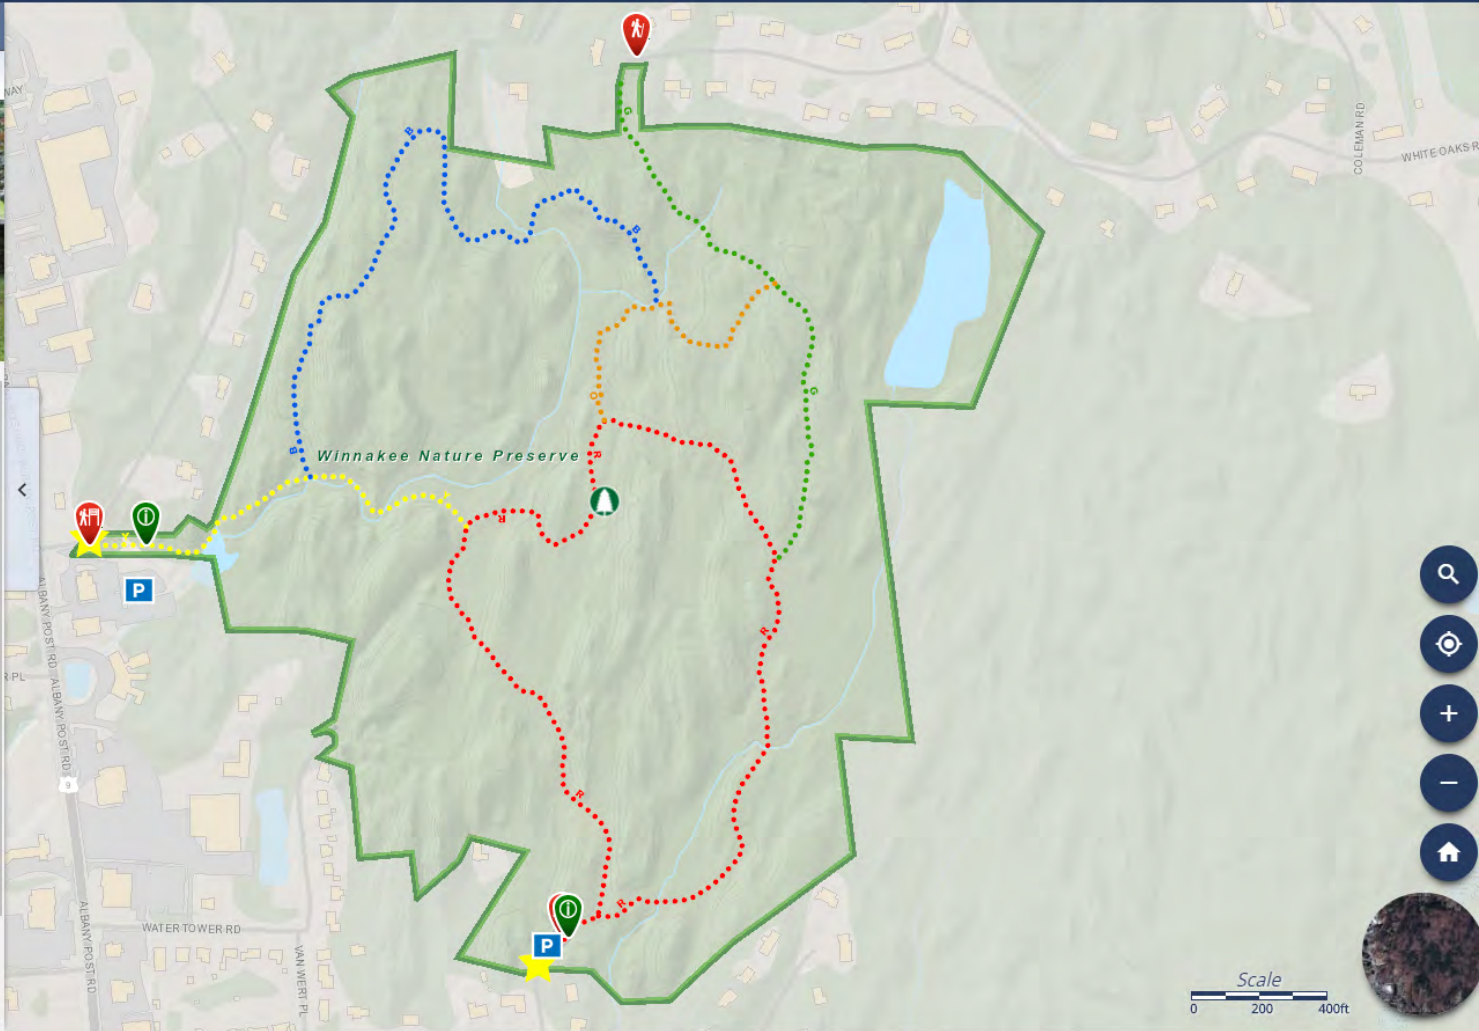

Park Information

The Winnakee Land Trust preserved this 105-acre parcel from development in 1991, with the intent of turning it into an interpretive center for young and old alike. With miles of hiking trails on old carriage paths, you too can walk in the footsteps of Franklin Roosevelt and ... [show more](#)

James Baird State Park

Park Amenities

Park Information

James Baird, whose engineering firm designed and constructed the Lincoln Memorial in Washington, DC, donated 590 farmland acres to New York State for this park under the stipulation that it would be named after him. Design of this park and its golf course started in 1940, with ... [show more](#)
